touch  
*Nature*  
feel life.

We protect the nature by zero carbon emission with solar panels.

To protect and help nature, we planted 1001 saplings this year.

## **Görenler A.S**

was established in 1997 in the city of Denizli which is famous for textile. Görenler began the journey in the labeling sector, and by the year of 2000, it started to produce promotional products as well. Over the years, **Görenler** grew and expanded the production with the variety of different unique products, and with their professional sales team who can speak English, German and French as well. Today, **Görenler** produces at full capacity from raw materials to packing and exports to more than 30 countries around the world.

**Görenler A.Ş.** has a fully-capable integrated facility with the production units for Weaving, Fabric and Paper Printing, Knitting and Sewing departments. Our experienced quality team always keeps the quality and control of the produced products at the highest levels and makes product-process improvements in cooperation with our production team when necessary. Our products are safely delivered to the customers after passing the final control stage free of any problems.

**As Görenler**, our production is highly sensitive to the environmental protection, with this reason our company has solar panels installed to the roof of the factory and now we use our electricity requirements from the solar panels with zero carbon emission.

**At Görenler A.Ş.**, we have internationally recognized standards and certificates to serve products following the highest standards in the international market. Our certifications include BSCI Social Compliance Management System (Rating A), SEDEX, OEKO-TEX Standard 100, FSC, GOTS (Global Organic Standard), Vegan Certificate (V-Label), GRS (Global Recycle Standard) Certificate, ISO 9001: 2015 Quality Management System Certificate, COCA-COLA Audit certificates.

All our production under the roof of these certifications and standards prove our concern for human health and the environment combined with our dedication to providing the highest quality products to our consumers.
